integrated blinds

A photograph of a bedroom window. The window is partially covered by white, sheer curtains on the left side. On the right side, there is a wooden blind with horizontal slats. The window frame is white. The background outside the window is a blurred green landscape. The overall lighting is soft and natural.

# Beautifully integrated blinds

## Sleek & innovative design.

Your home is a reflection of you. We know you want to dress your windows with style whilst gaining maximum shading from the sun, as well as maintain the ability to open and close your windows. Our INTU blinds are the most innovative and flexible blind system in the market.

INTU Blinds complement your windows in both design and function, making them the intelligent choice for today's homes.

# Flexible solutions

The variety of options that INTU blinds offer means you can find the best solution for your window. Whether you need a specific blind for your bi-fold doors, or perhaps a multi-zone blind, which can be positioned to provide privacy and height control, INTU blinds have it all.

For rooms where additional features may be required, reflective, blackout or even fire retardant fabrics can be chosen to suit specific performance requirements. Don't forget about Venetian slats which give optimum light and privacy control.

Venetian Collection

# Flawless finishes

INTU blinds have a stylish, curved fascia giving a sleek, modern appearance.

The streamlined bottomrail completes the blind with style and elegance.

## For safety & style.

Young children can be in danger of strangulation from the loops of pull, chain and bead cords. The INTU range is completely child safe by design to fully address concerns over safety.

The INTU system's neat and simple control options eliminate unnecessary free-hanging cord loops, creating one of the safest blinds you can buy. Make sure you have peace of mind.

Venetian

A photograph of a woman and a young child looking out a window. The woman is kneeling on a light-colored wooden floor, smiling warmly at the camera. She has short blonde hair and is wearing a white long-sleeved shirt and light-colored trousers. The child, a toddler with blonde hair, is standing on the floor, looking out the window with their hand near their mouth. The child is wearing a white and blue striped short-sleeved dress. The window has white horizontal blinds, and the scene is brightly lit with natural light from the window. The overall mood is warm and safe.
