Flowers in *full bloom* are celebrated for their *colour, form and texture*, with all-over designs a prominent trend for *Spring/Summer 2019*.

Charolte asc Rose

BE BEAUTIFUL

Vibrant touches of *coral, yellow, heather and rich blues* offer a balanced blend of *natural and saturated tones*. Be bold, be bright, be beautiful!

Top Tip:

Blackout Roller blinds are an excellent choice for bedrooms, blocking out external light for a top notch sleep.

Lucia Blackout Bright

Indiana Orange

Top Tip:
 Have you ever considered FR fabrics?
 With an additional coating to help prevent the spread of an accidental flame, FR fabrics create a much safer environment for you and your family.

Aura Gold

Scarlet

Asian Blackout Rainbow

Linenweave Espresso with Geo Etching

ARE YOU BOLD ENOUGH?

Pattern scales range from mini to maxi with **vibrant colours symbolic of tribal-esque** being prevalent throughout this trend.

A bold mix of **lively colours** such as redcurrant and paprika with contrasting sunshine yellow and azure blue, **vibrancy is a key factor**. Are you bold enough?

Polygon asc Azure

Trending Tip:
 Bring your windows to LIFE with a WOW design such as Serengeti! The contrasting tones bring unrivalled attention!

FROM OCEAN PLASTIC TO FABRIC

In our everyday lives we are surrounded by plastic. Just think about every piece we touch in a single day: shopping bags, food containers, coffee cup lids, water bottles, straws - the list goes on and on. We depend on plastic, but it comes at a steep price.

MARINE DEBRIS *Timeline of Biodegradation*

CAN WE MAKE A DIFFERENCE?

Yes! With the average window size at 1.86m, averaging 5 blinds per home x 500 homes would use 580kg of recovered ocean plastic.
